Dear Larry;

Thank you again for your help with our double-double planning. I appreciated not only your participation with facilitating our conversations but also your help in advance structuring the meetings.

As I mentioned to you after our session, it's not very often we give this feedback to outsiders but in this case I will. Your involvement will make us better and make our results stronger.

Larry – thanks again and please accept this small gift as our way of sharing what we hope will be a lasting impression of our ambitions.

Sincerely,

MARK'S WORK WEARHOUSE LTD.
